DOCKET FILE COPY ORIGINAL

To Whom It May Concern:

On July 2, 2002, I filed an appeal of a denial in full of our funding request. I have received no notice from the FCC and was hoping you could help me. Is there someone to whom I could speak or write? I would appreciate any help you can give me.

Funding Requests 878989, 878990, 878991
471 Application # 327500
